2. In this connection I have to point out tha nature of duties assigned to the Bill Collectors under t Municipalities and the District Boards ~~are~~ identical. collection work of Bill Collectors under the District Bo is even more strenuous than that of Bill Collectors empl under the Municipalities as the Bill Collectors under th District Boards have more extensive jurisdiction and hav visit interior villages many of which are not connected roads. Due to the lack of facilities to tour in the i villages of this district and the increase in the cost o stuffs, the scale of pay ie., Rs. 25-½-35, now being paid Bill Collectors is considered quite insufficient and it low to meet the minimum requirements ~~in comp.~~

3. I, therefore, request you to permit this D Board to pay the Bill Collectors the scales of pay appli to the Bill Collectors of the Mangalore Municipality wit from 1-4-1953.

Sir,

Sub:-Establishment - Collection - South Kanara District Board - scale of pay of bill collecotrs - Revision of requested.

Ref:-South Kanara District Board President Letter Roc.A6-23667-52 dated 30.4.53.

....

I enclose the letter of the President of the South Kanara District Board A6-23667/52 dated 30.4.53 wherein he requests sanction to revise the scale of pay of bill collectors in South Kanara District Board on a par with that of the scales of pay admissible to the bill collecotrs of the Mangalore Municipality. In their memorandum No.55972/49 L.A., dated 4.1.50, Government were pleased to order that the request of the Malabar District Board superior employees association that the scales of pay fixed for bill collecotrs under Municipal Councils may be made applicable to bill collecoors under District Boards will not be complied with. Now the President, District Board South Kanara requests the revision of the scales of the District Board bill collectors in accordance with the instructions issued in government memorandum No.140133 PIII/52-3 Development Department dated 11.2.53 (copy enclosed).

If the District Board bill collectors of South Kanara are granted the scale of pay admissible to bill collectors of municipalities, other District Board bill collecotrs also have to be granted the same rates and there would be no justification to concede the request in one case and to reject it in another case as the nature of duties performed by the bill collecotrs of all the District Boards is the same. Therefore the request of the President District Board South Kanara may be rejected.
